"Thank you Crusader people for our beautiful Musketeer Treville. Not only do we love our product, we appreciate the time you took to continually update us along the way, answer our questions promptly, and for still happily assisting us with our queries as we become familiar with our new van. No rushing us through handover either, which some people experience with other dealerships".

Debbie Mackie - Crusader Musketeer owner

WINNER MANUFACTURER OF THE YEAR

FLOORPLAN KEY ELEMENTS

*Indicative lengths and weights are for standard configuration, any additional options or variations will increase weights. Weights are approximate only and can vary between individual caravans. The Compliance Plate specifies the accurate weight for each respective caravan. Alterations to designated ATM may be requested at the time of order provided it does not exceed the legal maximum and is subject to the final tare weight. Floor length is the external total length of the caravan's floor. Overall width is measured externally and includes all protruding fixtures.
